Now, with the blessing of Jodorowsky, the Humanoids Publishing returns to the universe of the Incals. Incal. Mark Russell (exit, stage on the left!: The Snagglepuss Chronicles) and Psychoverse by Yanick Faquette (Wonder Woman: Earth One), which will preview in the Free Comic Book Day: The Incal Universe Special. Next May, Humanoids Publishing launched again in the wild Fantasy Universe of The Incal with a Psychoverse preview, a new story of the protagonist of the epic saga, the unfortunate detective John Difool. Imagining a dystopian world populated by bizarre and unpredictable characters, the world of Jodorowsky would have expanded over the years to tell the story of a universe on the edge of the total destruction and the band of lovable heroes who join to save him. Interpreted as an unfortunate detective and became Salvatore of the universe, Difool is known for his common quality, which often tend to loss due to the bizarre situations with which he constantly compares.
